## The Paradise Valley Way to Yellowstone Park

### THE YELLOWSTONE VALLEY

Scenic and safe route to the Park. Travel a water grade highway between the Gallatin and Absaroka ranges. Parallel the Yellowstone river and avoid high mountain passes.

### FOREST RECREATION

is available in all parts of this region. Scores of campgrounds, miles of fishing streams. Make side trips. See hidden mountain beauty.

### LIVESTOCK INDUSTRY

Travel by Montana ranches and stock farms. See famed western cattle, horses, sheep. Irrigated farms produce wealth in the broad valleys.

### MINING INDUSTRY

Oldest in Montana. At Emigrant a modern dredge finds gold the prospectors left. See the travertine quarry at Gardiner and modern gold and tungsten mine at Jardine.

## MAKE LIVINGSTON or GARDINER YOUR HEADQUARTERS DURING YOUR VISIT TO YELLOWSTONE NATIONAL PARK

### LOCATION

Livingston is on U. S. No. 10 and No. 89 and Gardiner is the original entrance to Yellowstone Park.

### THE NORTH ENTRANCE

starts the Grand Loop from Mammoth revealing the wonders of the Park in ever-ascending interest and grandeur.

### ROUGH IT IN COMFORT

Accommodations in Livingston and Gardiner for the most discriminating. Modern shops, popular merchandise. Service for your every need and convenience.

### MONTANA HIGHWAYS

to Yellowstone are paved. Shortest route between Yellowstone and Glacier is via Livingston and Great Falls. Swim in natural hot water at Chico Hot Springs.

### DUDE RANCH COUNTRY

Here you are in the heart of the Dude Ranch country of the west. Two dozen modern ranches in area tributary to Livingston.

### WILD ANIMALS

abound at all seasons. Elk, deer, bear, moose, buffalo may be seen every day in the park. Don't miss antelope herd just inside the Gardiner arch.

### BIG GAME HUNTING

Come to Gardiner, the region most famous in all America for the abundance of big game. Guides and accommodations to make your trip a success.

### RAILROAD INDUSTRY

of Montana is centered at Livingston. Here Northern Pacific shops repair the biggest locomotives in the world.

### BOULDER RIVER VALLEY

provides some of the most scenic country in America. It is adjacent to Livingston. Here are campgrounds, fishing streams, dude ranches.

### LIVINGSTON ROUNDUP

when the wild west is recreated is always July 2, 3 and 4. Three thrilling days of frontier celebration. Plan your vacation to see the rodeo

### NATIONAL TROUT DERBY

Every year Livingston stages a National Fresh Water Trout derby when \$1,000 is given for the biggest trout caught in the Yellowstone river.

### CLIMATE

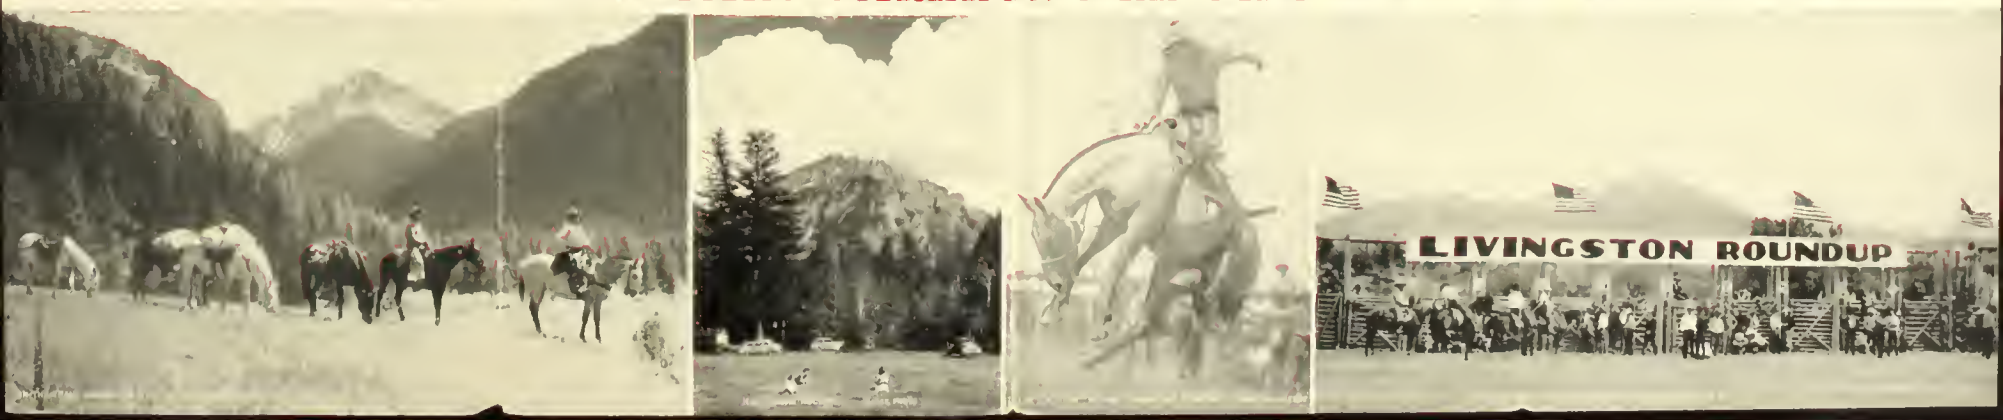

Montana's best feature is her climate. While all the nation is sweltering, nights in Montana are cool.

**Park Permit Allows You To  
Enter and Leave As You Wish**

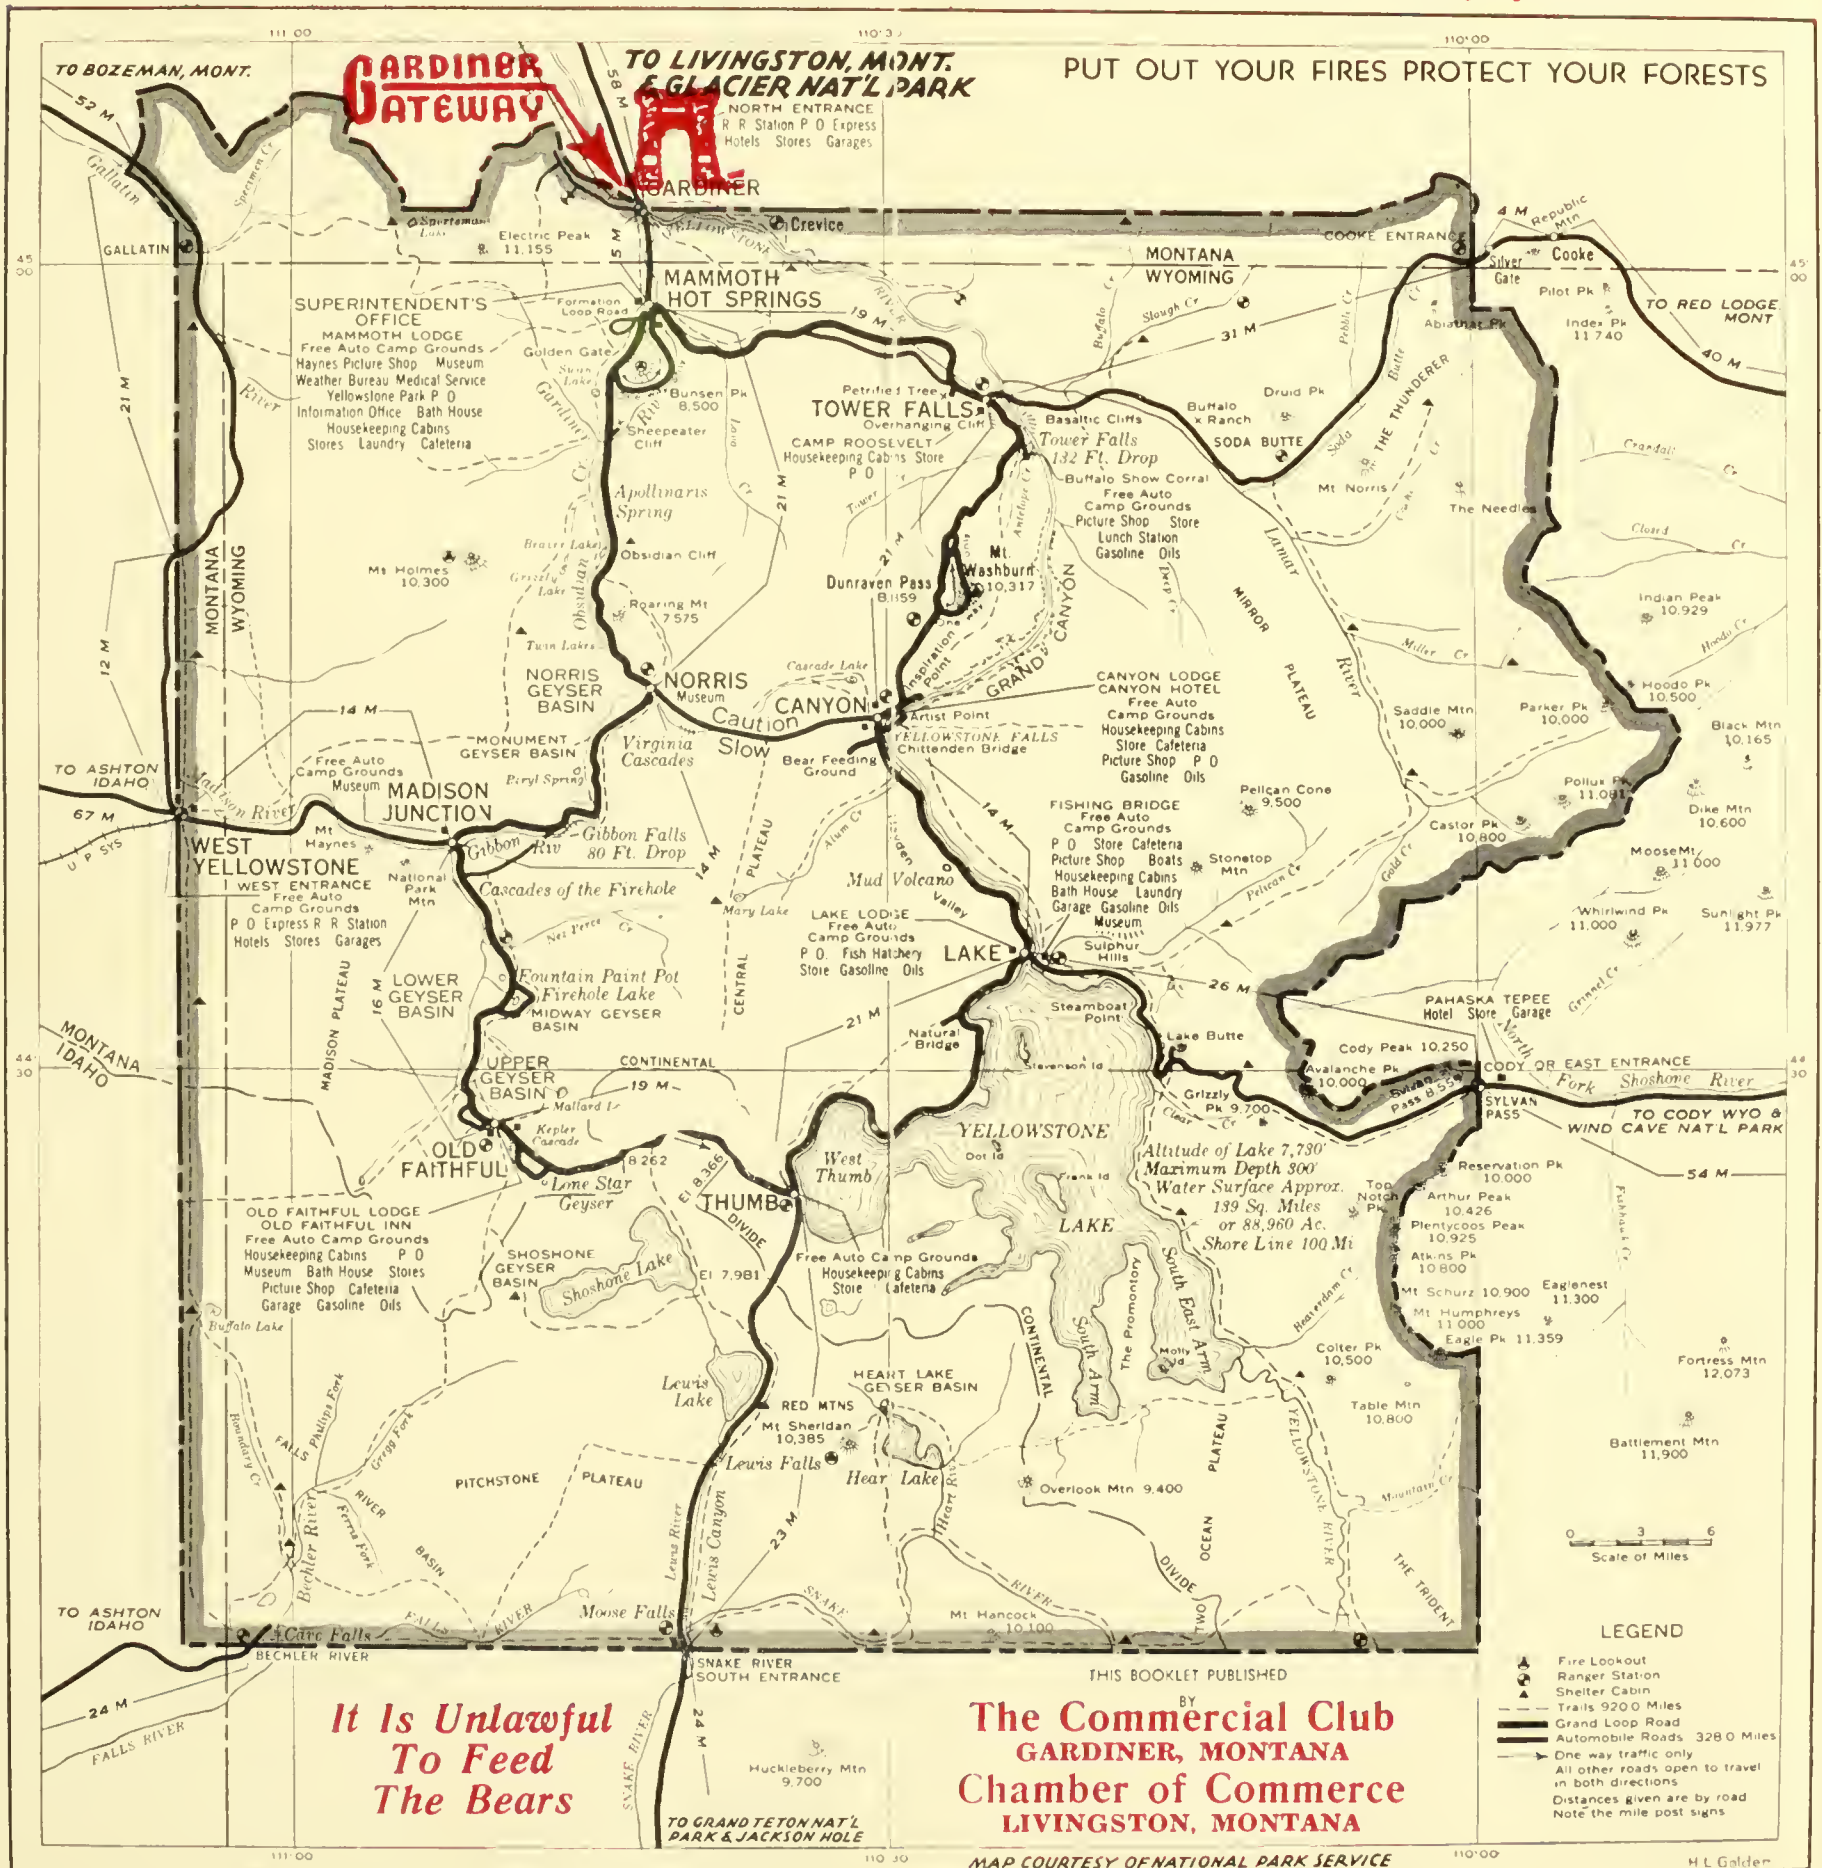

A vertical strip of seven black and white photographs. The top photo shows a person standing in a river. The second photo shows a person crouching on a rock. The third photo shows a bison in a field. The fourth photo shows three deer. The fifth photo shows a bison near a tree. The sixth photo shows a herd of bison. The bottom photo shows a mountain landscape.
